1. INTRODUCTION

The International Development Research Centre (IDRC) is pleased to table its Annual Report to Parliament on the administration of the *Access to Information Act* (ATIA or Act) for fiscal year 2014-2015, as required under subsections 72(1) and 72(2) of the Act.

PURPOSE OF THE *ACCESS TO INFORMATION ACT*

The [Access to Information Act](#) (R.S.C., 1985, c. A-1) was proclaimed on July 1, 1983. It was amended as a result of the [Federal Accountability Act](#) (S.C. 2006, c. 9).

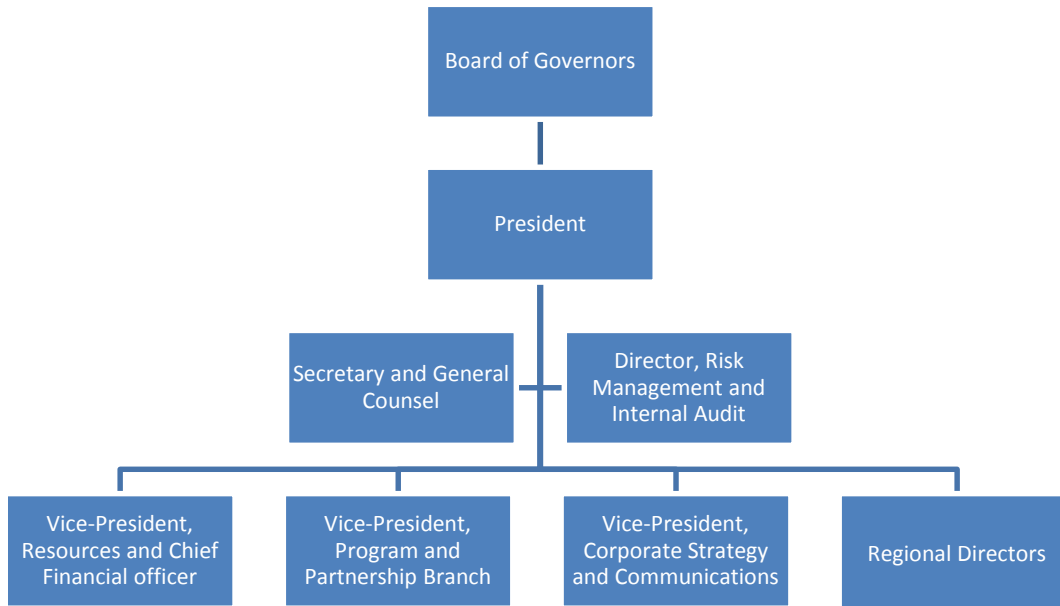

The Act gives Canadian citizens and permanent residents the right to have access to federal government records.

IDRC MANDATE

IDRC is a Crown corporation that was established in 1970. It is guided by a Board of Governors, appointed by the Governor-in-Council. IDRC reports to Canada's Parliament through the Minister of International Development.

The [IDRC Act](#) (R.S.C., 1985, c. I-19) mandates IDRC, in subsection 4(1), “to initiate, encourage, support and conduct research into the problems of the developing regions of the world and into the means for applying and adapting scientific, technical and other knowledge to the economic and social advancement of those regions.”

2. ORGANIZATIONAL STRUCTURE

IDRC STRUCTURE

During the reporting period, IDRC employed around 390 employees, located at the head office in Ottawa, and in four regional offices around the world.

IDRC's President is the Chief Executive Officer and a member of the Board of Governors. The President's Office ensures that the Centre is an integral part of Canada's foreign affairs and development efforts by investing in knowledge, innovation, and solutions to improve lives and livelihoods in the developing world. Bringing together the right partners around opportunities for impact, IDRC builds leaders for today and tomorrow and helps drive large-scale positive change for those who need it most. The President's Office supports IDRC's programming through the Centre's regional presence in Sub-Saharan Africa; Asia; Latin America and the Caribbean and the Middle East and North-Africa.

The Program and Partnership Branch (PPB) leads the development and implementation of the Centre's research support agenda as articulated in the Board approved Strategic Plan (2015-2020). PPB works closely with partners to support researchers exploring new and innovative fields in developing countries. The goal is to fund research under the thematic areas supported by the Centre and aligned with the Government of Canada's priorities. Program staff work with partners to contribute new ideas, practices and policies and to strengthen networks. Led by a Vice-President, PPB focuses its programming to help Canada meet its foreign affairs and development goals under three areas of focus: Agriculture and Environment; Social and Economic Policy; and Technology and Innovation.

Corporate Strategy and Communications (CSC) oversees the Policy and Evaluation Division and the Corporate Communications Division. CSC provides leadership in developing and implementing the strategic planning, evaluation and corporate reporting functions of IDRC. Led by a Vice-President, CSC is accountable for leading the development and implementation of key relationship management strategies designed to favorably position and profile the accomplishments, contributions, and values of IDRC at the highest levels of government and in the broader Canadian public context – with a view to ensuring that IDRC's programs continue to be well understood; regarded; and resourced.

Resources Branch is a full partner in the strategic decision-making of the Centre. It provides leadership in resources management issues, delivers services while ensuring the integrity of the Centre's operations, and facilitates the achievement of Centre goals in a manner that reflects expectations of Canadians. It is led by a Vice-President who is also IDRC's Chief Financial Officer and is responsible for the management of the financial affairs of IDRC.

STRUCTURE OF THE ACCESS TO INFORMATION AND PRIVACY OFFICE

The responsibility and accountability for the development, coordination and implementation of effective policies, guidelines, systems and procedures to enable to efficient processing of requests under the *Act* rests with the Access to Information and Privacy (ATIP) Coordinator. The ATIP Coordinator is the incumbent to the Legal Coordinator position, reporting to the Secretary and General Counsel, who reports to the President.

The ATIP Coordinator oversees the implementation of the *Access to Information Act* within IDRC, and ensures compliance with the *Act*. The Office of the Secretary and General Counsel provides legal advice on the *Act* and requests as needed. The ATIP Coordinator works with IDRC's Information Management Technology Division staff to ensure that access to Centre information in all forms respects the requirements of the *Act*.

As required under section 71 of the *Act*, a reading room is provided in the IDRC library. Its public website, www.idrc.ca, provides considerable information on the Centre's work, including project highlights (by country) and basic information on projects including, but not limited to, funding, partner organizations and project results. IDRC publications, including those that result from Centre-funded projects are available online for free. Printed copies may be ordered online from the co-publisher, from one of IDRC's stock-holding distributors, or from amazon.com. Printed copies of IDRC publications are also available for consultation at many libraries around the world.

3. DELEGATION OF AUTHORITY

As indicated in the Designation Order of April 25th, 2014 (Annex A), pursuant to section 73 of the *Act*, the President has designated the Legal Coordinator as the person designated at IDRC to exercise the powers and perform the duties and functions of the President, as the head of a government institution, under the *Act*.

4. INTERPRETATION OF THE STATISTICAL REPORT

STATISTICAL REPORT 2014-2015

The following section explains in more detail the Statistical Report on the *Act* as provided in Annex B.

PART 1: REQUESTS UNDER THE ACCESS TO INFORMATION ACT

1.1 Requests

Between April 1, 2014 and March 31, 2015, the Centre received six requests for information under the *Act*. During the reporting period, one request was carried into the following reporting year. The Centre processed five requests in the reporting period.

1.2 Sources of requests

Of the six requests received in the reporting period, two came from private sector businesses; two came from media and two from academia.

1.3 Multi-year trend

The number of requests received in 2014-2015 is relatively consistent with the requests for information received in the previous reporting years of 2013-2014; 2012-2013 and 2011-2012.

PART 2: REQUESTS CLOSED DURING THE REPORTING PERIOD

2.1 Disposition and completion time

In 2014-2015, IDRC did not monitor the amount of time spent by staff in compiling and responding to requests.

Of the five requests processed:

- Two requests were processed within 16 to 30 days. They were formal requests and information was fully disclosed.
- One request was processed within 16 to 30 days. This request was disclosed in part.
- Two requests were processed within 31 to 60 days after obtaining an extension of 30 days for third party consultations. Information was disclosed in part for both.

2.2 Exemptions

In the disposition of the five requests responded to in fiscal 2014-2015, the following sections have been invoked:

- 15(1) - International affairs and defence for one request;
- 19(1) - Personal information for three requests;
- 20(1) (b) Third party information for one request;
- 20 (1) (d) - Third party information for one request;
- 21(1) (a) - Operations of Government for one request

2.3 Exclusions

No exclusions were applied.

2.4 Format of information released

Of five requests released, whether information was fully disclosed or disclosed in part, all five requests were released in paper format.

2.5 Complexity

With respect to the two requests for which information was fully disclosed, 11 relevant pages were processed and 11 disclosed in total.

For the three formal requests disclosed in part, 609 pages were processed and 609 pages were disclosed in total.

The following is a breakdown of the relevant pages processed and disclosed by size of requests:

- Less than 100 pages processed: three requests for a total of 73 pages
- 101-500 pages processed: two requests for a total of 547 pages disclosed.
- 501-1,000 pages processed: n/a.
- 1,001-5,000 pages processed: n/a
- More than 5,000 pages processed: n/a.

In processing the requests, the Centre sent two of the requests for consultation and no assessment of fees was required. Legal advice was not sought for any of the requests.

2.6 Deemed refusals

IDRC did not have any deemed refusals for the reporting period of 2014-2015.

2.7 Requests for translation

No translation was sought on account of any of the requests received.

PART 3: EXTENSIONS

Extensions were taken for two requests under section 9 (1) (b) of the *Act*.

PART 4: FEES

Under the *Act*, fees for certain activities related to the processing of formal requests can be levied. In addition to the \$5 application fee, other charges may also apply for search, production, programming, preparation, alternative formation, and reproduction of the various records, as specified in the *Access to Information Regulations*.

The application fees of \$5 were the only fees collected. Under subsection 11(6) of the *Act*, the head of a government institution may waive the requirement to pay fees, which is the approach that the Centre has opted to follow to.

PART 5: CONSULTATIONS RECEIVED FROM OTHER INSTITUTIONS AND ORGANIZATIONS

During this reporting period, the Centre received five consultations from other government institutions. Of the five consultations, 78 pages were reviewed. IDRC responded to five consultations within one to fifteen days.

PART 6: COMPLETION TIME OF CONSULTATIONS ON CABINET CONFIDENCES

The Centre did not receive any requests requiring consultations on Cabinet confidences.

PART 7: RESOURCES RELATED TO THE ACCESS TO INFORMATION ACT

Since the Centre only has one person dedicated part-time to ATI activities and in order to protect that individual's personal information, the Centre applied the formula for salary associated with the program delivery provided in the Treasury Board ATI Business Rules and Guide 2014 to note a total cost of \$10,000.00.

5. TRAINING

During the reporting period, the Centre did not offer any formal training activities to its employees on the *Act*. However, a training program was developed and will be rolled out to staff during the 2014-2015 reporting period.

6. INSTITUTIONAL POLICIES AND PROCEDURES

The Centre did not implement any new or revised Access to Information policies, guidelines, or procedures during the reporting period.

7. COMPLAINTS AND INVESTIGATIONS

During the reporting period, the Centre did not receive any complaints nor investigations.
