

Research Support Services for IDRC Grantees

As an IDRC-funded researcher, you have access to a range of services and resources to support your research:

IDRC Digital Library
A repository of research outputs

IDRC Digital Library (IDL):
Comprehensive collection of research results and documents generated by IDRC-funded projects.

Access: <http://idl-bnc.idrc.ca/dspace/>

Authoritative research literature through a collection of **commercial research databases** covering multiple disciplines and subscriptions to **electronic journals**. Contact researchsupport@idrc.ca to receive your username and password.

Access to **research databases** and **Journals and Magazines Directory**:

<https://login.ezproxy.idrc.ca/login>

Research help: The Librarian can...

- Assist you in defining search strategies (key concepts and relevant resources)
- Show you how to search databases and free online resources
- Help with complex literature searches
- Provide advice on selecting a journal for open access publication of your research results

Contact the librarian at:

researchsupport@idrc.ca

Full text of articles through a **document delivery service**. Click on “Request Document Delivery” in databases, use the online system (<https://oid.relais-host.com/user/login.html>) or send your request to docdeliv@idrc.ca
